VIDEO EDITOR / PRODUCER

Emmy-winning video editor and producer offering over 20 years of experience with both television and online platforms including ESPN, FOX, NBC and Yahoo! Always searching for innovative ways to serve clients by creating visually compelling stories that increase brand awareness and engage viewers. Adept at constructing complex workflows and collaborating with colleagues to produce high-end features, promos and short documentaries.

EXPERIENCE

Freelance Video Editor / Producer, Los Angeles, CA February, 2010 to Present

- **Fox Sports:** Produced and edited content, tested software and collaborated with network heads to facilitate launch of Fox Sports 1 Network.
- **NFL Network:** Edited features and long form highlights for network programs including *NFL Gameday* and *NFL Weekly Countdown*.
- **Yahoo!:** Worked with producers to generate engaging online content for *Yahoo!* website's original shows.
- **BASE Productions:** Edited segments for Emmy-winning show *Sport Science*. Liaised with graphics department to produce high-end animations and CGI.
- **Disney Consumer Products:** Created video animatics to help conceptualize high tech displays for trade shows and various other advertising platforms.

NBCUniversal, Glendale, CA August, 2011 to May, 2019

- **Senior Video Editor** (Aug, 2012 to May, 2019)
Produced, edited and finished segments for late-night show *Last Call with Carson Daly* including interviews, features and music performances. Collaborated with graphics department to build front ends, animations and other advanced motion graphics.
- **Associate Director** (Aug, 2011 to May, 2012)
Performed finishing edit duties for *Last Call with Carson Daly* including color correction, sound design, editing wraps and timing out show. Coordinated with executive producer, post production, legal and other departments before delivering final product for air.

ESPN, Bristol, CT December, 2003 to February, 2010

- **Post Production Editor** (June, 2006 to Feb, 2010)
Performed offline and online edit duties including color correction, sound design and graphic treatment, for teases, features, promos and other high-end projects. Worked with creative services to enhance edits through advanced CGI and animations.
- **Video Editor** (Dec, 2003 to June, 2006)
Produced and edited content, designed graphic elements and spearheaded special projects for network programs including *SportsCenter*, *Baseball Tonight* and *NFL Primetime*. Trained and mentored fellow editors on both linear and non-linear platforms.

KOMU-TV, Columbia, MO May, 1999 to May, 2002

- **Video Editor / Photographer**
Shot and edited segments, teases and promos for all affiliate's news and sports programs. Coordinated with anchors and reporters to produce special reports and features.

SKILLS

- **Avid** *Symphony, Media Composer*
- **Adobe** *Premiere, After Effects, Photoshop*
- **Apple:** *Final Cut Pro, Final Cut Pro X, Motion*
- **Quantel** *Video Editing Software for ESPN and Fox Sports*
